

A Prayer for Hope: I Cant. You Can. Im Yours.

This six-word prayer is for people who find themselves powerless in overwhelming circumstances. A Prayer for Hope makes accessible to the person in need of hope the life-saving power of trust in God. In this book with sound teaching and intriguing stories, Fr. Scotchie leads us to admit our helplessness, to acknowledge the power of Gods grace, and to embrace his will for our life. A Prayer for Hope invites us into the Lords presence, offers a fresh and easy way to pray, and gives us hope. Bert Ghezzi, author of The Power of Daily Prayer David Scotchies book is hard to put down. He gives us not preaching about prayer, but true stories about how prayer has worked for him and for many others. His own experience in reflecting on Lukes account of the Prodigal Son is insightful and he shows how prayer has especially helped save marriages. And you may be surprised, as I was, that a banana can provide a good lesson in faith. Deacon Henry Libersat, author of Catholic and Confident I am struck by the simple power of I Cant, You Can, Im Yours. With these six little but weighty words, Fr. Scotchies book takes us right to the heart of what it means to be a Christian total surrender to God. Brandon Vogt, author of Saints and Social Justice
