

Amy Spanglers Breastfeeding : A Parents Guide

Friendly, personal, and honest, BREASTFEEDING A Parents Guide separates the facts from the myths about breastfeeding. It answers the questions most often asked about breastfeeding and deals honestly and directly with the advantages as well as the concerns. Detailed drawings, clear instructions and helpful advice make this the book breastfeeding parents will refer to over and over again. It is the perfect book for today's parents...parents who wonder if breastfeeding will work in their busy lives.
