

Koalas an A - Z

Koalas an A - Z is designed to give readers an easy way of learning interesting facts about Koalas in an A -Z format. Each letter gives information about Koalas and their lives in a few short simple sentences. This makes it easy to understand for all ages and nationalities. Through out the book are some of Janes own photos of rescued Koalas. At the back of the book is a list of Koala Rescue Groups with their web addresses. Readers can use these to find out what different groups do and see how people from anywhere in the world can help save these beautiful animals, from volunteering, making a donation, becoming an overseas member, to adopting a Koala.
