

British Mosses, Their Homes, Aspects, Structure and Uses: With a Coloured Figure of Each Species Etched from Nature (Classic Reprint)

Excerpt from British Mosses, Their Homes, Aspects, Structure and Uses: With a Coloured Figure of Each Species Etched From Nature The illustrations have been etched -on the copper and coloured by hand directly from the living specimen. A few doubtful natives or very rare kinds have been omitted, but with these exceptions every species has been given, and the greater part of them from specimens kindly furnished by Mr. Wilson. The author has also recognized Mr. Wilson's preface. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
