

## Panchito (Spanish Edition)

Agustina es una nina muy carinosa y le gusta mucho a los animales y las aves. Un dia Agustina le dijo a su madre si le podia regalar un pollito y su madre le contesto Que piensas hacer con el pollito? Agustina contesto, solo criarlo aparte de los demas. Esta bien, le dijo su madre. Agustina le hizo un vestido. Pero el problema era que Panchito no tenia plumas en el cuerpo solamente en la alitas y colita cuando ella le sacaba el vestido. Panchito y Agustina eran muy buenos amigos pero algun dia se tenian que separar.
