

## El monstruo del lago Ness Book + CD (Enigma y Misterio) (Spanish Edition)

High Beginning. Jacinto is from a small Spanish town. He isn't happy when his parents send him to the United Kingdom to study during the summer of 1982, the year that the World Cup is held in Spain. Just when he begins to enjoy his courses and make new friends, he is mixed up in a strange mystery involving the family he lives with. From the reader series Lecturas de Enigma y Misterio, a collection of graded readers set in different places around Spain and Latin America in which mystery takes center stage. Includes an Audio CD of the text.
