

## Bundle: General, Organic, and Biochemistry: An Applied Approach + OWL eBook (24 months) Printed Access Card

Focusing on key topics important in allied health and nursing careers, this engaging book is ideal for readers who have had no prior exposure to chemistry. Emphasizing problem-solving techniques, the book takes the most direct path to biomolecules and metabolic processes, provides a wealth of worked examples to help readers understand key chemical concepts, includes novel and relevant Health Notes in the margins, and weaves biological and medical applications throughout.
