

Glory Of The Lord Is In This Place: Spiritual Gifts In Operation

The book acknowledges the grace of God in the authors life, given back after a fatal automobile accident in 1985. Incidents of her own healings and spiritual gifts of laying-on-of-hands for healing others, and dream interpretations permeate the book. The printed memories are of Gods intervention, even for renewal of lost memories--found, when He awakened her one early morning, saying: Opaline, The Glory Of The Lord Is In This Place - Get up and write! She remembers getting up and writing just those words and getting back into bed. She writes that immediately she heard the Lord say: You are the Place, and my Glory is in you. Get up and write the book. I have given you the title; and I will give you the words. The author went back to her computer, and began writing as God graciously reminded her of many incidents He wanted in print, for the hope of others, in knowing that God is no respecter of persons. The book is all about Gods blessings, not about the author. Only through Him is she laying-on-of hands for healing; offering prayers daily over the telephone, and giving dream interpretations. By the grace of God, this senior woman is still able to sing with clarity and anointing of voice.
