

Il Pensiero Sociale Di L. A. Muratori (Classic Reprint) (Italian Edition)

Excerpt from IL Pensiero Sociale di L. A. Muratori Lo scopo di questo libro e quello di porre in qualche luce uno degli aspetti meno conosciuti o quasi ignorati dellopera poliedrica di L. A. Muratori. Disse il Foscolo che ogni citta italiana avrebbe debito dinnalzare un monumento al grande Vignolese. Quando si ponga, mente che il Muratori impresse, si nelle scienze storiche, che in quelle filoso fiche, politiche ed economiche, unorma indelebile del suo ingegno eccelso e della sua operosita indefessa non se ne potra mai abbastanza ne onorar la memoria, ne proporre ai posterio leempio. Egli fu immenso dotto che non lascio intentala nessuna parte del campo dell'erudizione... seppe ricorrere a fonti variatissime, che ad altro occhio sfuggirebbero, e ne dedusse verita e punti d'aspetto che se oggi compaiono o scarsi, o comuni, erano meravigliosi per allora . La sua vita sembra un lungo periodo di storia, anziche quella dun uomo solo, tante sono le opere da lui scritte. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
