

In Search of Truth and Freedom; A Path from Ignorance to Awareness

Is truth relative or absolute? Is freedom won on the battlefield or by personal effort? How are spirit and mind related? What are the essence and purpose of life? Are biblical creationists and Darwinian evolutionists both wrong? What is the universe made of? In a courageous quest for answers to life's ultimate questions, Dr. Rothe explores the mysteries of existence and shares his philosophical insights, which go far beyond the narrow, diverging views of reality painted by scientific and religious doctrines. A New Set of Cosmological and Philosophical Concepts to Guide your Life. - Michael A. Cremona, coauthor of Forbidden Archeology
