

Wildlife of East Africa: a Photographic Guide

This photographic guide to the wildlife of East Africa is an accessible introduction to the regions more conspicuous and interesting mammals, birds, reptiles, frogs, insects, flowers and trees. A colour photograph accompanies each account, which describes the species appearance, size, and habits, and gives information on their conservation status, habitat and the best viewing localities. This book is an invaluable guide for visitors to national parks and other wildlife-rich places in East Africa and is a handy size for travel.
