

The Inner Voice of the Heart

The Inner Voice of the Heart is a collection of poems written during late 2008 through mid-2012. Each of them resulted from personal thoughts and experiences and from reading Gods Word. Before writing down these words I processed them through my heart to be blessed by the Holy Spirit. Listening to the inner voice of the heart opens up the Truth of being. It takes practice, patience and faith to hear and understand as the Holy Spirit responds, conveys and directs the Truth through the magic of the heart. My hope is that each reader will use these poems as a guide and a catalyst to gain insight into the power and love of the Holy Spirit, who was sent as a Comforter by the love and grace of Jesus Christ.
