

## Inside the Mommie Pond

Miles looks up at his mother with big eyes and a loving smile. Hes curious about her belly, which is growing and changing, so his mother sits him down to tell him the amazing adventure of how he came to be. Its a story about you and how you came to be a special gift to all our family. Young children have plenty of questions about babies and where they come from, and this book is perfect for those first inquisitive inquiries. Inside the Mommie Pond is a charming tale, graced by colorful pictures, that presents the story of development in a family-friendly, sweet, and whimsical way.
