

# SPSS for Windows Step by Step: A Simple Study Guide and Reference, 17.0 Update, 10/e

This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. SPSS for Windows Step by Step: A Simple Guide and Reference, 17.0 Update makes data analysis and SPSS procedures clear and accessible by presenting straightforward step by step instructions in each analysis chapter to clarify procedures. Exercises at the end of each chapter and selected answers on the website give students an opportunity to practice using SPSS. Updated to reflect SPSS Version 17.0.
