

My 15 Year Journey in Africa: A Memoir of Sister Mary Angelita Molina, OSF

In this book, Sister Angelita tells her story of those 15 years in Nigeria. Sister Angelita did all this missionary activity while constantly begging for prayers and financial support to carry on her work. Her love of God shines through in everything that Sister Angelita accomplished.

During her worst tribulations, and there were many, her constant prayer was God is Good. Indeed, each of the stories Angelita relates in her little book radiates her dependence on Divine Providence. The chapters show how God worked through her to ease the afflictions of body, soul, and spirit of the people she loved so much. Because of her, their lives became a little more bearable. This little dynamo of a person never takes no for an answer.

When the going gets tough, she works all the harder to accomplish her objectives. I know of no one with a more determined spirit. Sister Angelita and I have known each other for 45 years and this is my testimony to a woman of God who radiates the words of Jesus: Live in Me as I do in you ... those who live in Me and I in them will bear much fruit. John 14:4-5
