

Edexcel Chemistry Student Guide 1: Core inorganic and physical chemistry

Reinforce students understanding throughout their course; clear topic summaries with sample questions and answers to help improve exam technique. Written by experienced examiners George Facer and Rod Beavon, this Student Guide for Chemistry:- Helps students identify what they need to know with a concise summary of the topic or paper examined in the AS/A level specifications- Consolidates understanding with exam tips and knowledge check questions- Provides opportunities to improve exam technique with sample graded answers to exam-style questions- Develops independent learning and research skills- Provides the content for generating individual revision notes
