

Noche de humo (Spanish Edition)

In this Spanish language edition of a modern classic, Eve Bunting's heartfelt story and David Diaz's dramatic illustrations create a compelling child's-eye view of urban violence. A young boy and his mother are forced to flee their apartment during a night of rioting in Los Angeles. Fires and looting force neighbors who have always avoided one another to come together in the face of danger and concern for their missing pets. David Diaz was awarded the Caldecott Medal for his bold acrylic paint and photo-collage illustrations.
