

North American Flora, Vol. 24 (Classic Reprint)

Excerpt from North American Flora, Vol. 24 Herbs, shrubs, or rarely trees, with glandular-dotted foliage. Leaves odd-pinnately or palmately compound. Flowers perfect, in racemes, spikes, or panicles. Calyx usually campanulate, 5-toothed or 5-lobed, the lowest tooth or lobe usually somewhat longer. Corolla more or less papilionaceous, of 5 petals, or in *Amorpha* reduced to the banner and in *Parryella* wanting; petals when present inserted either on the hypanthium or lower or higher up on the staminal tube; banner usually broad, distinctly clawed, the other petals usually distinctly clawed if inserted on the hypanthium or on the lower part of the staminal tube, but if inserted at the mouth of the latter subsessile and the keel-petals free; otherwise the keel-petals are more or less adnate to each other along the lower margin of the blade. Stamens 9 or 10, or in *Petalostemon* and *Kuhnistera* 5, and in a few species of *Parosela* 7 or 8; filaments monadelphous or diadelphous, united into a tube split on the upper side, the tenth stamen when present being free or only partly united to the tube below, or in *Amorpha* and *Apoplanesia* all free to near the base, and in *Parryella* apparently wholly so. Fruit a 1-few-seeded pod, coriaceous or chartaceous and indehiscent, or more membranaceous and circumscissile or irregularly bursting, not valvate. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any

imperfections that remain are intentionally left to preserve the state of such historical works.
