

## A Great Discovery of Four Worlds Their Inhabitants (Classic Reprint)

Excerpt from A Great Discovery of Four Worlds Their Inhabitants In giving this book to the public it is not my purpose to give it for mere curiosity but for a light that man may walk by it and not stumble in the darkness of self-conceit. This is a divine message the Lord has given me to present before the people as a looking glass. That ye may see and know the condition in which you stand before the Almighty God. It is my purpose to explain the mystery of the four worlds and their inhabitants, as the Holy Spirit has inspired me to write. Hoping that it may reach the approval of every one who is seeking wisdom and knowledge. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
