

Spiritual, or Magnetic Forces (Classic Reprint)

Excerpt from *Spiritual, or Magnetic Forces* In discussing the subject of Spiritual and Magnetic forces, I have briefly given conclusions of careful thought, and impartial investigation, endeavoring to write with candor, free from prejudice and bigotry. Pre-conceived opinions, proceeding from and formed by an education, and outward influences, widely at variance with the so-called spiritualistic theories, caused me to approach and treat the subjects with all due caution. First, to ascertain, if possible, the truth of certain alleged manifestations. Second, to learn the causes of such phenomena, and, third, to reconcile them with well-known laws in science. Impressed with the thought that no harm can come to anyone, and possibly good may be gained by such an investigation, I give to my readers the results. Prejudice and bigotry in former times have stifled thought and staid the wheels of progress. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
