The difference added with the upcoming series, which nears to some 1500 eBooks is that Homeopathy is considered to be a Long Term & Time Taking Cure Science, which will be proved all wrong with the Instant Cure eBooks launched hereby which will yield results in moments. Desired with this series of Books is reestablishment of faith of the people worldover in this treatment Science, where unlike Professional Physicians I desire that the people get an immediate relief and also a freedom from the being engaged with the physicians in the long term. It is appealed with the very minimal MRP for these eBooks that the people see the people of poverty classes be benefitted with these remedy prescriptions and also they see the poor be provided with the remedy medicines which cost none in comparison to high priced medicines of the Allopathy and other Medicinal Sciences. Like here set Di Thy World sets it as a duty to see the people all over, get a large scale freedom from the private consultations, it will be very praiseworthy if the people on the other hand set it as their duty to see the needy sections of the society be helped with these eBooks and also the Low Priced Homeopathic Medicines.
