

Rocky Mountain Wildflowers - Pocket Guide

A pocket-sized pictorial guide to 105 common species of wildflowers of the Rocky Mountains. Each page has a close-up color photo and a concise description of one flower, including details of the blossom, leaves, habitat, and bloom season. The entries are arranged by color to help you quickly identify flowers while hiking in the wilds. At 4.5 x 6 inches, it doesn't take much space in your pocket or backpack. If you're tired of flower guidebooks with lousy photos, this one is for you!
