

# Seven Steps to Nighttime Dryness: A Practical Guide for Parents of Children with Bedwetting

Your child can win the bedwetting battle! Each night, millions of children go to bed hoping that this will be the night they wake up dry. If your child is one of them, you know how frustrating and painful this problem can be. Did I do something to cause this problem? you wonder. How long until my child outgrows bedwetting? Will he (or she) ever be able to go to a sleepover without worrying about being found out? Renee Mercer will set your mind at ease. A pediatric nurse practitioner with years of success helping kids learn to stay dry at night, she has garnered a loyal following of grateful parents. Her first edition of Seven Steps to Nighttime Dryness sold 60,000 copies. In her second edition she provides a positive, practical, proven approach that can end your child's bedwetting now.
