

## The Reel Life

Jump aboard as famed New Zealand fisherman Sam Mossman shares tales of adventure from his lifelong fishing OE. Sam takes us on many memorable fishing journeys around New Zealand and the world - Hawaii, the South Pacific Islands, Australia, the US, Canada, South America, Africa, the Middle East and Asia - exploring watery hotspots both exotic and familiar. Its a collection of stories packed with adventure, information, humour, local colour and exciting fishing experiences. Sam really has been there done that, pursuing some of the planets most outrageous finny species in freshwater and salt. As he says himself says: Its a big, wide, wonderful world out there, full of amazing things to see, exotic cultures to experience, interesting people to meet and exciting new fish to catch.
