

## Stories Children Will Love (Volume 1: Bhanu-Shanu-Kaju-Biju and Dholu Ram Gadbad Singh)

Shyam Bhatawdekar and Dr Kalpana Bhatawdekar, the authors, are multifaceted personalities. They are the loving parents and loving grandparents. They are wonderful human beings. They are also top notch business executives, highly sought after business consultants, eminent management gurus, well known human behavior experts, humane psychologists, prolific authors and presenters par excellence. In this book, they share with you stories for the young ones. When their children were small, they used to invent these stories from time to time and used to narrate to them and to other children. Now they tell these stories to their grandchildren. The children are always fascinated by these stories and ask for more. You must look at their eyes and the facial expressions when these stories are told to them. They remain spell-bound. Now, the authors wish to share these stories with all the children of the world. Parents, grandparents, guardians and families will find these stories very handy. They can read them here in this space and narrate to their own children and other children. It will be a rewarding experience for them. Children who can read can as well read the stories all by themselves and enjoy them.
