

Strength for the Journey Home: Fifty-Two Weekly Readings for Religious Recovery

Strength for the Journey Home: Fifty-Two Weekly Readings for Religious Recovery is the follow-up book to Every Path Leads Home: Opening to your Spiritual Journey. Strength for the Journey Home provides deeper insights into the Thirteen Steps and Thirteen Stones that are introduced in the first book. In addition, it provides fifty-two weekly readings that will encourage readers on their journey of spiritual healing and growth. As was the case with Every Path Leads Home, Strength for the Journey Home is a beautifully written book that can help anyone who has been abused by the rules and strictures of a church, congregation, or pastor, and for anyone who has been abused by an overly zealous religious person. For anyone who has come to see religion not as a faith experience but rather as a set of ironclad rules, and for anyone who has grown weary of the struggle to find God by whatever name they call God, Strength for the Journey Home will help heal the hurts of the past and bring peace for the present.
