

Working in Film and Television (My Future Career)

My Future Career gives preteen readers an early start on the path to a profession. Each information-packed volume presents seven distinct careers, all related to a particular field of interest. A description of each career is followed by outlines of basic responsibilities and qualifications, and each section ends with an example of a real-life professional's workday. Carefully researched facts make this series a valuable addition to every home, school, and public library.
