

A Natural History of New and Rare Ferns: Containing Species and Varieties, None of Which Are Included in Any of the Eight Volumes of Ferns, British and Exotic, Amongst Which Are the New Hymenophyllums and Trichomanes. with Col. Illus. And... (Paperback)

like so other reprints of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfecti...
