

Thoughts from a Random Mind: Volume One

Thoughts from a Random Mind is the latest effort by author RL Keller. Its a daily devotional that is designed not to simply bless and encourage readers but also challenge them to think about who God truly is and how they might improve their walk with Him. They are meant to be thought-provoking, encouraging, edifying, instructional, and hopefully also a blessing to the reader. The author considers himself no different than anyone else just a believer wrestling each day with his beliefs. These devotions were born out of his own personal struggles with life and how his walk with Christ has grown and become more consistent. God is paramount in RL Kellers life, and he is attempting to share his struggles through his writings so that the reader can know that he is not alone in the battle.
