

The Catholic yearbook

The Catholic yearbook comprehending, the circle of the seasons and key to the calendar and almanac, or the natural history, religious festivals and miscellaneous customs of the whole year adapted for all succeeding years. This book, The Catholic yearbook, by Thomas Ignatius Maria Forster, is a replication of a book originally published before 1833. It has been restored by human beings, page by page, so that you may enjoy it in a form as close to the original as possible.
